SOLID BIRCH DROP-LEAF TABLE

DESIGN: NILS-GÖRAN GUSTAFSSON

6032 – 6036

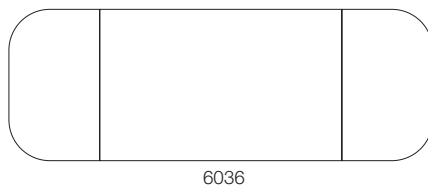

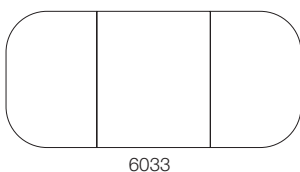

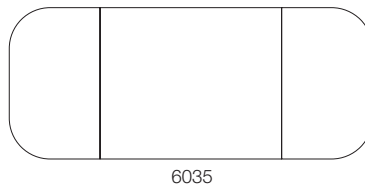

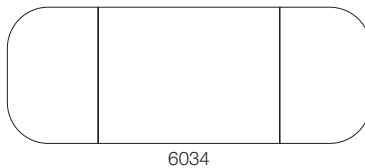

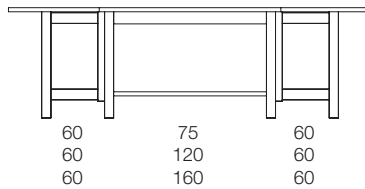

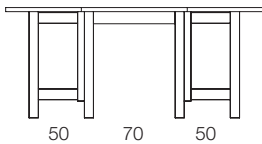

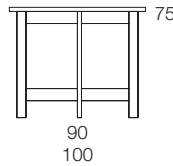

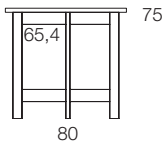

#### DETAILS

1. Björka has no visible screw heads. Instead, wooden cover plugs are used.
2. The tabletop has gently rounded corners and edges.
3. The drop leaves have recessed, longitudinal hinges that contribute to the solid tabletop retaining its original form.

#### FACTS BJÖRKA

#### CONCEPT

A classic drop-leaf table, with a solid, powerful design. The longitudinal central section did not just give the table stability: formerly you could rest your feet on it, thus avoiding contact with the cold floor.
